### MCTXSheriff Gets Hairy This November

Some could say that things are about to get “hairy” around the Montgomery County Sheriff’s Office. On behalf of The Leukemia & Lymphoma Society, Sheriff Rand Henderson has authorized a “No Shave November” for all employees at the Sheriff’s Office as a way of supporting our community and the fight against cancer! “No Shave November” is a movement to donate money that an individual would typically spend on shaving and grooming to educate about cancer prevention, save lives, and aid those fighting the battle.

The mission of The Leukemia & Lymphoma Society (LLS) is to research cures for blood cancers, and improve the quality of life of patients and their families. They also provide resources, free blood cancer information, education and support for patients, survivors, families and healthcare professionals. More information about their organization can be found [here](#).

Throughout November, employees will be allowed to grow beards in an effort to raise cancer awareness. The only requirement is that employees must maintain their beards in a professional manner. On December 1st, Deputies will have to shave the beards off, and go back to the Sheriff’s Office grooming policy. To participate in this event, employees must make a one-time charitable donation of \$50.00 to The Leukemia & Lymphoma Society – The Woodlands. At the end of the event, Sheriff Henderson will present a check to The Leukemia & Lymphoma Society for all the proceeds collected.
