## MCTXSheriff Suspends Jail Visitation

The office of the Sheriff has an ethical commitment to the health and safety of those entrusted to our custody. Effective immediately, out of concern for our inmates and the general public, visitation for the Montgomery County Jail will be suspended until further notice. Family and friends of those being housed in the County jail may still communicate with them via phone or written correspondence. Notice will be given once visitation in the jail has been reinstated. Our communities' understanding is greatly appreciated.
