MCTXSheriff Hosts National Day of Remembrance for Murder Victims

In 2007, Congress designated September 25th as the National Day of Remembrance for Murder Victims. On September 25, 2020, the Montgomery County Sheriff's Office hosted a ceremony to commemorate those lost to senseless murders this year, and try to help the seven families of those victims to find peace. The families were invited to a private event, surrounded by their loved ones and members of the Sheriff's Office and the District Attorney's Office that helped solve every one of these cases and give the family a small semblance of reconciliation knowing that the perpetrators have all been identified and captured, facing justice for their wrongdoings.
