

MONTGOMERY COUNTY SHERIFF'S OFFICE SHERIFF RAND HENDERSON

MEDIA ADVISORY

For Immediate Release November 22, 2021

MCTXSheriff Adds Warrant Search Feature to Website and Mobile App

Part of Rand Sheriff Henderson's vision for the Montgomery County Sheriff's Office has been to efficiently serve the citizens of Montgomery County through innovative approaches to public safety. Beginning November 22, 2021, the Sheriff's Office has instituted an online warrant search which is available on our website, as well as the Sheriff's Office iOS and Android apps! Visit our website at www.mctxsheriff.org or download our smartphone application using these links [IOS App](#) or [Android App](#).

When you visit our website, you will be greeted by a pop-up window which will provide a link to the search page. On the smartphone application, you will see an icon on the homepage titled "Warrants Search," which will bring you to the search page.

Though this information is updated frequently and is provided as a public service, it should not be considered a replacement of official court record, or be considered probable cause that a warrant is active.
