The Human Trafficking Rescue Alliance is a multi-agency taskforce comprised of Federal, State and Local Law Enforcement from our region whose mission is to rescue victims of human trafficking and stop people from engaging in activities that promote human trafficking and prostitution. We are sending a message that we are not going to tolerate this activity in our community. We will arrest and charge those who engage in this illicit act. We will also continue to identify those who have been forced into trafficking by rescuing them from their situations and connecting them with services to help with their recovery.
