MCTXSheriff Arrests Serial Armed Robbery Suspect

On September 8, 2023, The Gulf Coast Violent Offender Task Force, comprised of MCSO SWAT members, the Conroe Police Department, and U.S. Marshals Service, apprehended and arrested Gregory Taylor Olds in connection with 12 Aggravated Robberies in Montgomery County. Olds had active warrants in Harris County and was currently on parole for previous robberies.

Detectives with the Montgomery County Sheriff's Office Homicide and Violent Crimes division worked tirelessly over the last two months to identify Olds, secure an arrest warrant, and pinpoint his movements and location.

Gregory Olds is currently booked into the Montgomery County Jail where he is being held on a \$500,000.00 bond.

Sheriff Rand Henderson spoke on the arrest of Olds: "Our priority has always been the safety and well-being of our community, and we have worked diligently to bring this dangerous individual to justice. I want to commend the hard work and dedication of our law enforcement personnel, who have worked tirelessly to solve these cases and ensure the safety of our community.

While this arrest is a significant step towards resolving these crimes, our work is not yet complete. We will continue thoroughly investigating all the robberies to gather all necessary evidence and ensure a strong prosecution. We remain committed to holding this individual accountable for his actions and seeking justice for the victims. We will continue to make our community a safe place for all.
